A message from Mayor Bernstein. . .

Happy New Year Allendale!

As we start 2022, unfortunately we are still facing the challenges associated with COVID-19. We recently had to close Borough Hall to the public due to the recent uptick in cases. We took this action in order to protect our staff, the public, and to help stop the spread. I want to thank all of our Borough employees who continued to serve the residents of Allendale in that time. As always, should anyone have any questions, you may reach Borough Hall staff via email at Info@AllendaleNJ.gov or by calling (201) 818-4400.

I urge all residents to practice necessary precautions to keep yourself and your neighbors safe from COVID during the surge. Vaccines are available as well as the booster shot. You can find an appointment at the State's website at <https://covid19.nj.gov/pages/finder>.

On January 3rd, the Borough held its annual Reorganization Meeting via Zoom. At the meeting, we swore in Councilwoman Liz Homan and Councilwoman-Elect Susanne Lovisolo to the Borough Council. As I said at the Reorganization meeting... Congratulations and thank you for your continued willingness to serve and volunteer your time for the benefit of Allendale. It is truly appreciated. I am looking forward to serving with both Councilwoman Homan and Councilwoman Lovisolo this year.

At the Reorganization Meeting, we also had the privilege of swearing in Michael Dillon as our new Chief of the Allendale Police Department. I have the highest confidence in Chief Dillion that he will continue to lead our incredible team of men and women of the APD as they continue to serve and protect our residents. You can learn more about our new Chief in this issue of the Newsletter.

With the start of the year, it is important that those who have dogs and cats renew their licenses. You can renew online at [this link](#). Allendale will also be hosting a free rabies clinic on Saturday, January 29th. Full details can be found in the Newsletter.

Again, Happy New Year! I hope that 2022 is a great year for you and your family and filled with health and happiness.

ALLENDALE POLICE DEPARTMENT

MEET THE NEW POLICE CHIEF!

Hello fellow Allendale residents! I am both humbled and honored to become Allendale's newest Chief of Police. I am grateful for the hard-working men and women of the Allendale Police Department, the borough's leadership who has always made public safety a priority, and for the community who works in partnership with us to keep Allendale safe. Having started my law enforcement career in 2003, I have held numerous positions with the department including police officer and detective. I have completed extensive education and training in all aspects of the emergency services and am a volunteer firefighter/ past assistant chief with the Allendale Fire Department and certified Emergency Medical Technician. I hold a Masters of Science in Emergency Service Management and hold the title of the borough's Emergency Management Coordinator. I am appreciative of our residents who have been the department's strongest advocates. My wife and I chose to raise our family in Allendale mostly because of the strong sense of community. Allendale is a safe and secure town to raise a family in. A successful police department is built upon a strong foundation of support and partnerships between the community and officers. I look forward to continuing to serve the public as your town's chief of police. Please feel free to contact me either by phone (201-825-1900) or email (mdillon@allendalepd.org) should I be of any assistance in the future.

AN OUNCE OF PREVENTION IS WORTH A POUND OF CURE.....

Area towns have experienced an increase in stolen vehicles and theft of belongings from inside parked cars. The vast majority of stolen cars were taken with one or both of the key fobs inside the vehicle. Thieves typically don't use force and enter unlocked cars. In our experience, criminals will be greatly dissuaded if doors are locked. Criminals have been observed on home security cameras trying to open car doors, and if they are locked, they move on. Furthermore, some vehicles have a feature which rotates the side view mirrors when the key fob is out of the car and the car doors are locked. Criminals will canvass neighborhoods looking for cars with their side view mirrors out. This is a sign that the car may be unlocked with the key fob inside.

Don't let the criminals win. Remove your car's key fob and lock the doors when parking in your driveway. It is also a good idea to illuminate the outside of your home especially your driveway. A well-lit home with locked cars in the driveway is the best way to prevent auto theft and burglary.

For further information, please don't hesitate to contact the Allendale Police Department at 201-825-1900.

ALLENDALE FIRE DEPARTMENT

THE ALLENDALE FIRE DEPARTMENT IS ALWAYS LOOKING FOR NEW MEMBERS!

WE ARE IN NEED OF MEMBERS TO CONTINUE TO SERVE THE COMMUNITY!

If you are between the ages of 16 and 18, you are eligible to join as a Junior Member.

Anyone 18 years or older is eligible to join the active department.

ANYONE INTERESTED IN JOINING EMAIL: firechief@allendalenj.gov

QUESTION: What do high school Students, engineers, professors, pastors, nurses, moms, dads, accountants, salesmen, college students and law enforcement professionals all have in common in the Allendale Ambulance Corps (AVAC)?

ANSWER: They are all active VOLUNTEER First Responders for the town of Allendale who WANT to help people! On call 24 hours a day, these folks--YOUR neighbors! --- are right there for YOU and your loved ones in the event of medical emergencies, falls, trauma events and car accidents.

Each year, the Allendale Ambulance Corps responds to more than 550 emergency calls in 2021. Our Emergency Medical Technicians (EMT's,) and drivers are on call 24 hours a day. However, as most of our Volunteers are professionals who work outside of town, we sometimes cannot pull a crew together for daytime calls. We could use more daytime volunteers! Would you like to brighten someone's day? Consider joining the Allendale Volunteer Ambulance Corps! The training is free to residents, and classes are conveniently held in the evening or during the day. Please contact Ambulance Corps Chief, Daryl Bottaro at 201-739-4715 or ddamore@allendaleambulance.org for more information!

COVID-19 Vaccines

COVID-19 vaccines are now widely available for people ages **5 years and older**.
All COVID-19 vaccines are safe, effective and reduce risk of severe illness.

Vaccine	Age	Primary Series / Starting Dose(s)	Additional (3rd Dose)	Booster [^]
Pfizer-BioNTech / COMIRNATY	 5+ years old*	 2 doses, 3 weeks apart	 Immunocompromised** 5+ years old* , at least 4 weeks after primary series	 12+ years old* , at least 5 months after primary series
Moderna	 18+ years old	 2 doses, 4 weeks apart	 Immunocompromised** 18+ years old , at least 4 weeks after primary series	 18+ years old , at least 5 months after primary series
Johnson & Johnson's (J&J) Janssen	 18+ years old	 1 dose	 No	 18+ years old , at least 2 months after first dose

Adapted from the Centers for Disease Control and Prevention.

People are considered fully vaccinated 2 weeks after completing the primary series (2 doses of Pfizer/Moderna or 1 dose of J&J).

CDC recommends that people remain **up to date** with their vaccines, which includes additional doses for individuals who are immunocompromised and/or booster doses at regular time points.

*5 to 17-year-olds must have the consent of a parent or legal guardian to be vaccinated

**Immunocompromised people may receive a booster 5 months after the additional (third) dose of Pfizer or Moderna

[^]Any of the COVID-19 vaccines can be used for the booster dose

Allendale Water Update:

PFAS

Compounds continue to be detected but Allendale water meets NJDEP water quality regulations through the end of 2021.

Allendale submitted and has recently received approval from the NJDEP for a temporary PFAS treatment permit for the New Street facility. This is the first of several steps to implement temporary treatment for PFOA and PFOS. The physical implementation of the temporary PFAS treatment will be facilitated upon the close of the sale to SUEZ and prior to the end of 2022. The Allendale Water Committee, the Mayor & Borough Council and SUEZ take our water quality seriously and are making every effort to have temporary treatment installed. The building of the permanent PFAS treatment facility by SUEZ at the New Street location will take approximately 3 to 3 ½ years.

Sale of Allendale Water System to SUEZ

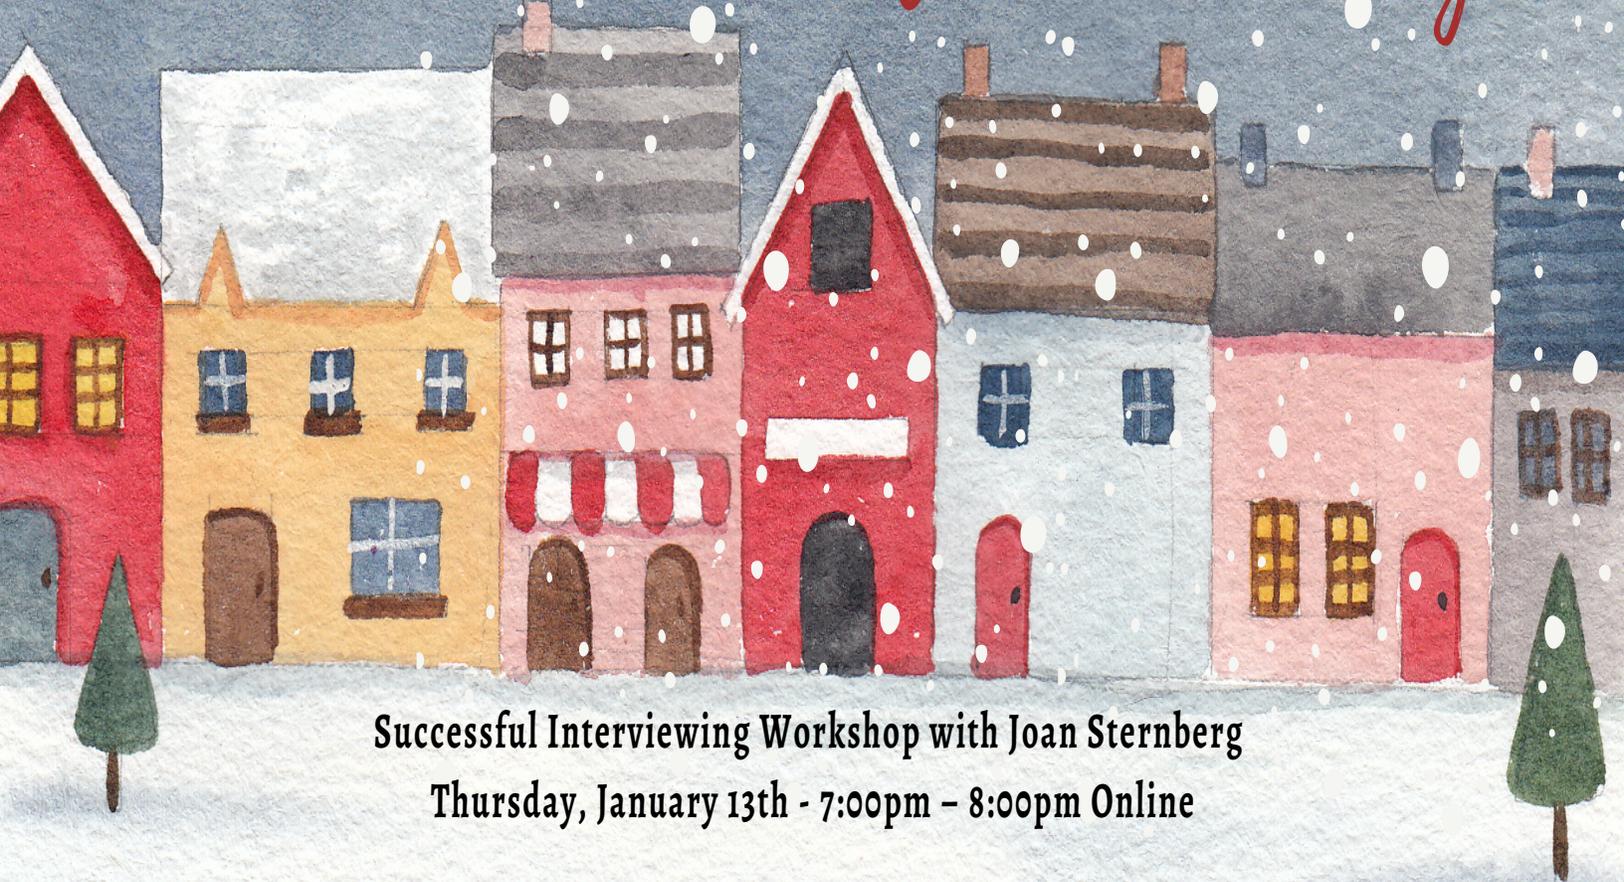

SUEZ and Allendale continue to work on information necessary for submission of the Purchase Agreement to the Board of Public Utilities (BPU.) A late spring or early summer closing is planned.

Other Suez News

SUEZ is expected to become part of Veolia late January 2022. Veolia, like SUEZ, is an international company that provides drinking water and sewage services. The NJ BPU has approved the merger and has set requirements about maintaining staff levels and expanding charitable giving and community programs. The document is publicly available.

WINTER IS HERE

GET YOUR SNOW

SHOVELS OUT AND READY

The town code requires that sidewalks be maintained by the property owner abutting the sidewalk. Snow and ice must be removed within 24 hours so your neighbors and fellow residents can safely use the sidewalks.

Just a friendly reminder:

There is a borough ordinance in place to let the plows and clean up crews have access to the roadways to do their jobs. Vehicles/owners in violation of this will be issued a summons.
